

“The small vessel operator aims to provide intimate, relaxing and enlightening experiences as it travels thousands of kilometres of diverse Kimberley country”

Kimberley Quest II

Explore famed natural icons while indulging and relaxing on a soft-adventure luxury cruise

Operating along the vast Kimberley coastline between Broome and Wyndham, Pearl Sea Coastal Cruises is a family-owned tour company catering to small groups on the majestic *Kimberley Quest II*.

With 18 years' experience and numerous awards in tow, the small-vessel operator aims to provide intimate, relaxing and enlightening experiences as it travels thousands of kilometres of diverse Kimberley country.

The *Kimberley Quest II* is a 25m custom-built vessel designed for up to 18 guests. It's fully air-conditioned and equipped with a helipad, spa and nine cabins, as well as spacious indoor and outdoor alfresco areas.

The cabins include twin, double and superior-sized rooms, as well as the exclusive 'flybridge' cabin, which boasts the best views of the lot. All have private ensuites and are serviced daily.

Captains Ben and Josh are ready and willing to share their immense knowledge of the

Kimberley region: its secret fishing spots, its ancient rock art sites and the many natural wonders the coastline has to offer.

Cruise options range from six to 14-day voyages, each offering a unique Kimberley experience. Explore massive gorges, waterfalls, World War 2 relics and Indigenous rock art sites on the 8 Day Northern Quest (which takes you to King George Falls, Berkeley River and the Drysdale River), or discover islands, whirlpools, inlets and pockets of rainforest on the 8 Day Southern Quest (where you'll see the Horizontal Waterfalls, Montgomery Reef and the Kings Cascade). Both include a scenic helicopter flight over the Mitchell Falls.

Swimming in freshwater pools, fishing the rock bars, bushwalking through historical sites and spotting diverse wildlife (including crocs) are all part of the experience, and there's an on-board chef preparing gourmet meals to satiate the voyager's appetite. If you want to stay in, take a book from the extensive library and escape to the sundeck, where you can also relax in the on-board spa and enjoy some of the boat's most spectacular views.

Excursions, gourmet cuisine and pre- and post-cruise transfers are included in the cost of the expeditions, and there's one staff member to every three guests so dedicated, personalised service is a guarantee.
